EVENTS

Who are we?

Referring to our 12 years of international experience between Dubai and Marrakech as a bespoke events creator, STARPROD EVENTS masters with passion and precision the art of creating and managing unique and memorable events. We offer a wide range of comprehensive and innovative services based on the expertise and creative spirit of our teams.

Our ambition is to meet all your needs and produce high quality events worthy of your satisfaction.

Our specificity rests on four pillars, a unique interlocution, an offer with a constant follow-up, an ethic work and the sharing of values.

Our knowledge combines expertise, creativity and responsiveness to achieve your goals and accompany you on the path to excellence.

3D Mapping

3D projection is an impressive technique that can give a spectacular dimension to your events. Historic facades, buildings, fountains, cars, objects... as many projection media that can convey a brand message, enhance a logo, sublimate an architecture or give life to infrastructure.

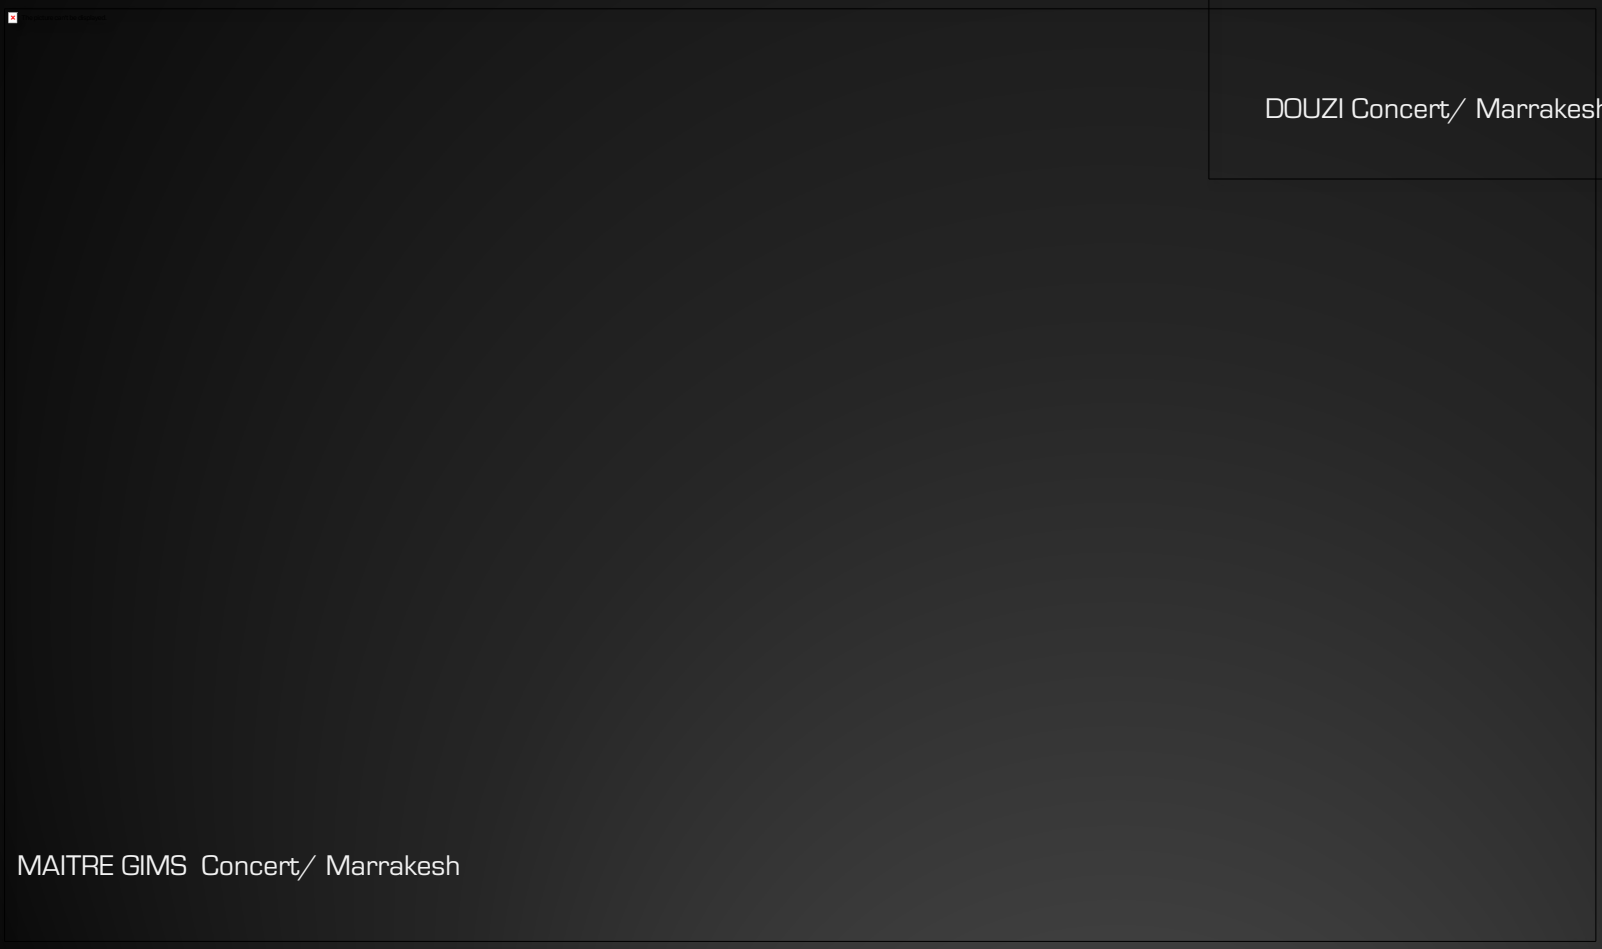

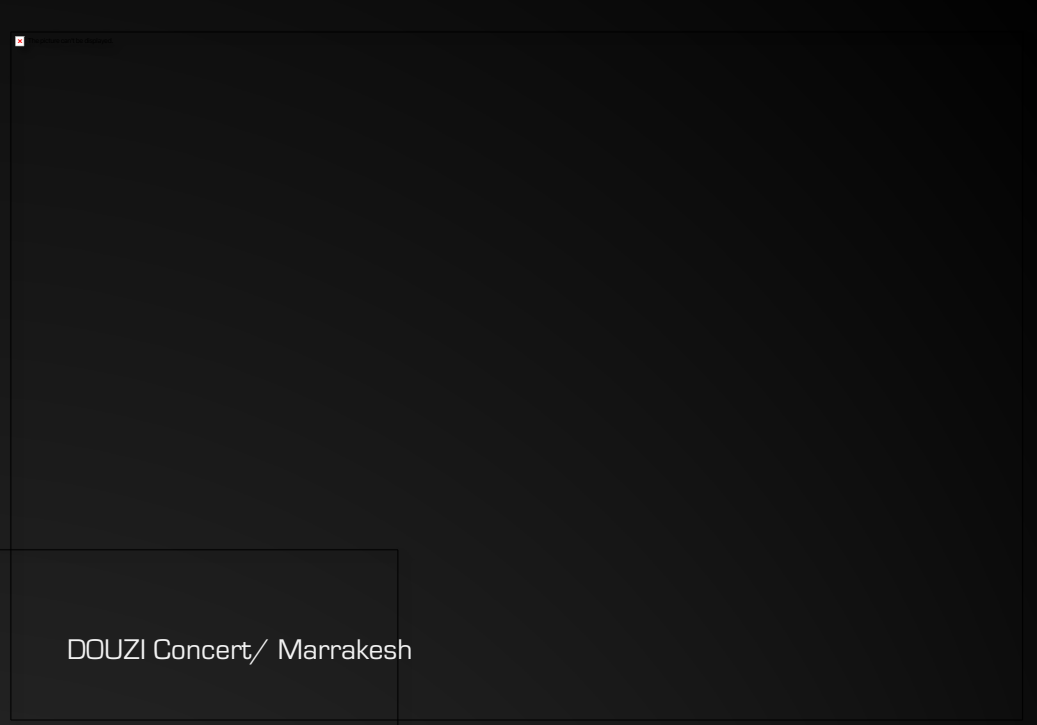

We adapt our expertise and our knowledge according to the event (inauguration, product launch, congress, birthday, wedding ...)

At STARPROD EVENTS, we combine the show's expertise and team's creativity with an integrated equipment park. (We have the latest generation of Christie Boxer 4K video projector exclusively in Morocco).

Photobooth:

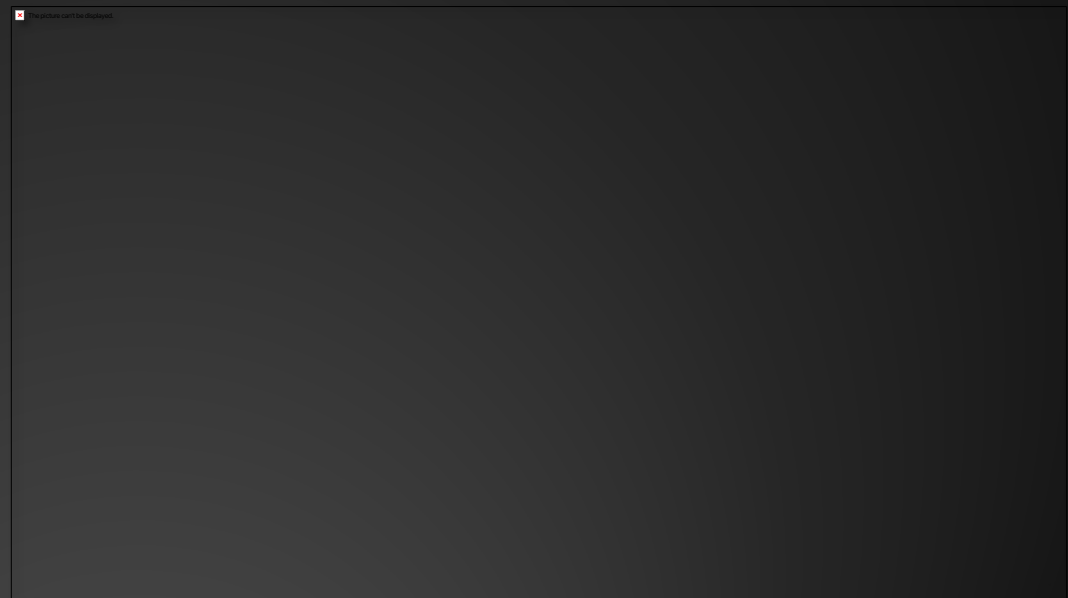

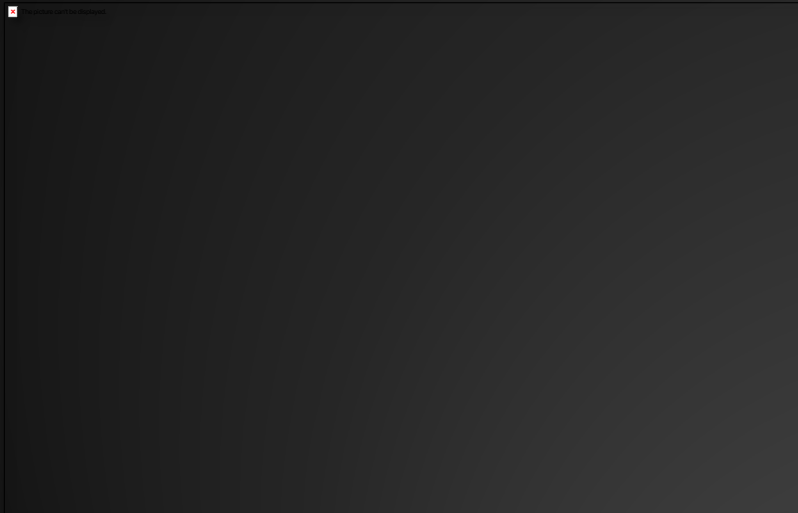

The Magic Mirror is the latest Photobooth concept, this glamorous selfie mirror captures full-length photos using a smart touch screen. We believe photo & video should deliver everlasting results.

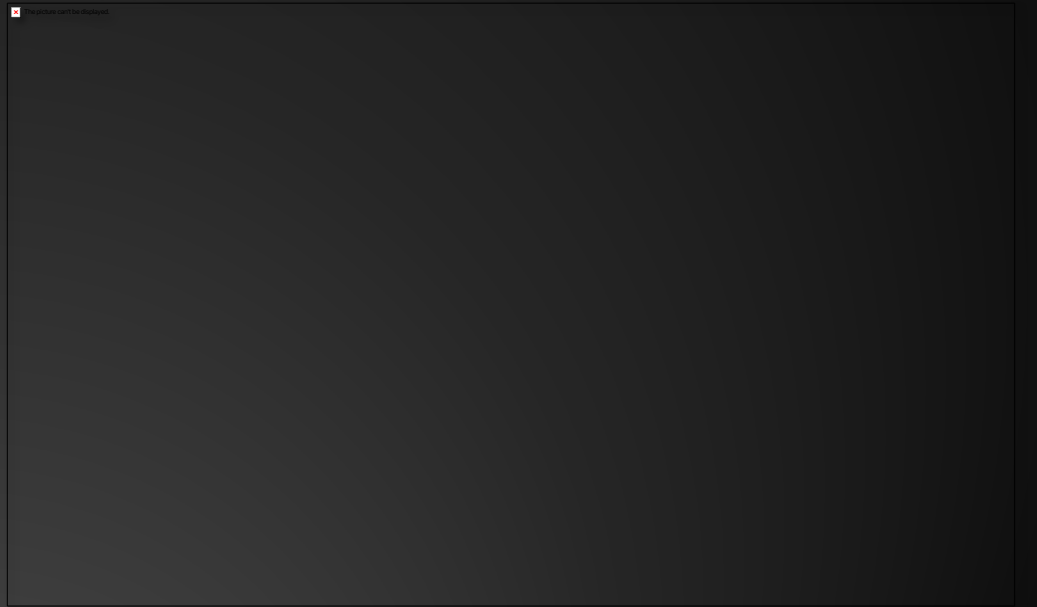

So our approach combines expertise & passion with a deep understanding of you and your audience to make videos that engage, inspire and compel people to act.

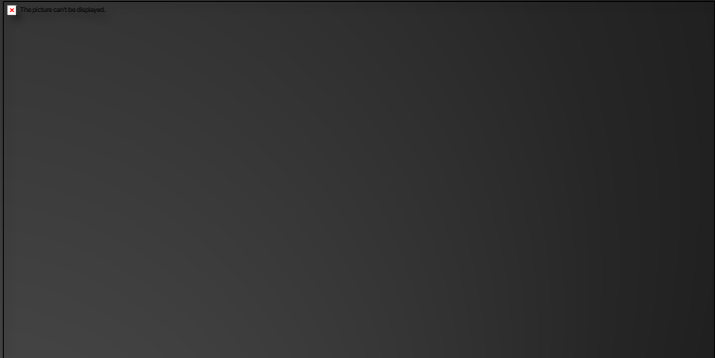

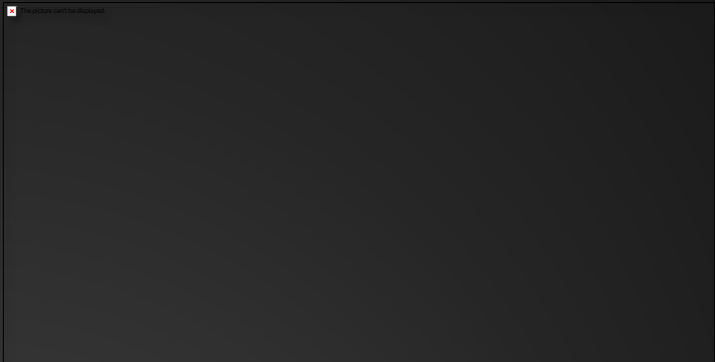

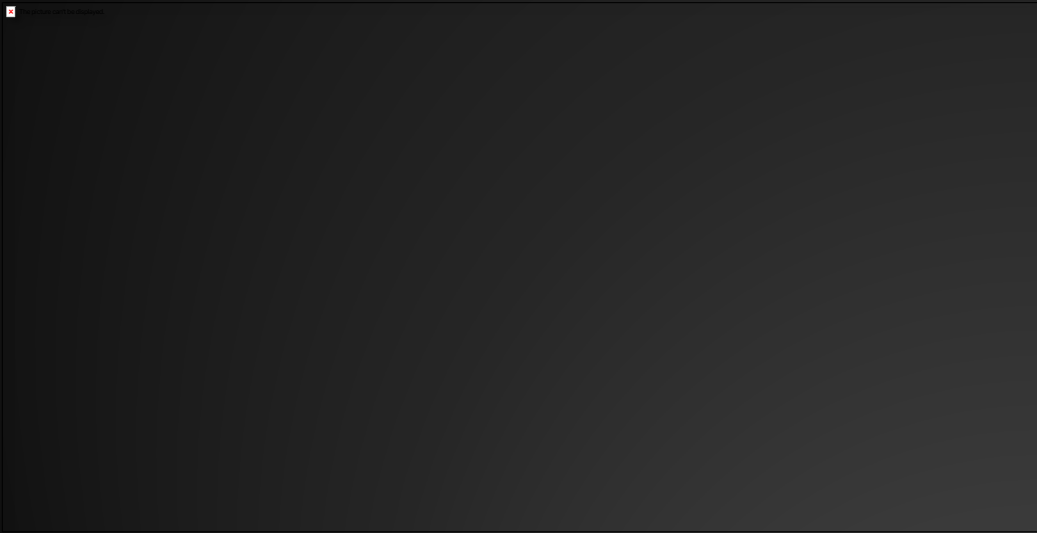

Take a pose, and then customize your photos by touching the screen with your signature and special dedications.
